

11th May, 2011

Dear Frank

This is just a big THANK YOU message, at the culmination of your major work at Number 1 Mackay Ave, Glenhuntly.

The work carried out was excellent, workers were punctual, obliging and courteous accommodating all, even the most fastidious of the owners.

I will have no hesitation in recommending your company to any future clients.

Again, thank you for the job well done.

Anna Eller
